Social   Work   Other

Save

Playground
You will be able to start testing your subgraph using the playground once your first version is deployed.

INSTALL GRAPH CLI USING YARN

```
yarn global add @graphprotocol/g
```

∨ **INIT**

Initialize your subgraph.

INITIALIZE SUBGRAPH

```
graph init --studio cygnus-price-oi
```

∨ **AUTH & DEPLOY**

Authenticate within the CLI, build and deploy your subgraph to the Studio.

AUTHENTICATE IN CLI

```
graph auth --studio
```

ENTER SUBGRAPH

```
cd cygnus-price-oracle-subgraph
```

BUILD SUBGRAPH

```
graph codegen && graph build
```

DEPLOY SUBGRAPH

```
graph deploy --studio cygnus-pric
```
